

GOULDING HEREFORD LEGACIES SALE

25th - 28th September 2026
Via Denis Barrett & MartEye

WELCOME

Gouldingpoll Herefords is a true family-run operation, where our family derives both our livelihood and our passion from the land and the cattle, we are privileged to work with. It is with great pride, and complete confidence in their ability to perform, that we present this exceptional offering to you.

For almost 30 years, we have dedicated ourselves to building a herd founded on quality, performance and proven genetics. Our journey has taken us to several countries in search of some of the finest cow families the Hereford breed has to offer. Those experiences, combined with years of stockmanship and an unwavering commitment to breeding, have shaped the Gouldingpoll herd we have today.

This is our second significant offering since 2019, following the highly successful Goulding Opportunity Sale. It has been immensely rewarding to see so many of the cattle from that sale go on to achieve outstanding results for their new owners. Their success gives us great confidence in the genetics we are offering once again.

Over the past seven years, we have carefully rebuilt and developed our herd around our renowned cow families. We have combined these time-tested bloodlines with our experience, stockmanship and passion for breeding, continually striving to take the herd to the next level.

The cattle presented in this sale represent the very best group of animals we have ever made available. This is a rare opportunity to acquire proven Gouldingpoll genetics – genetics built on generations of performance, backed by exceptional cow families and shaped by a clear and passionate breeding vision.

We believe there is genuine breed-changing potential within this offering. Whether your ambition is to breed your next influential stock bull, foundation female or show champion, we are confident these cows, heifers and maidens can play an important part in achieving it.

Most importantly, we want every animal leaving Gouldingpoll to go on and succeed for its new owner. Should you have any questions before or after the sale, please do not hesitate to contact us. We are always happy to discuss the cattle and their breeding.

Thank you for your interest in Gouldingpoll Herefords, and we wish you every success with your purchases.

The Goulding Family.

SALE DETAILS

The Format

The sale takes place online at <http://denisbarrett.marteye.ie/> using Marteye online auction. Once bids start to close and a bid is placed, a 30 second counter will start. Once 30 seconds have passed without a bid, the Lot will close. Only then will the next Lot start to close.

Lots will open for bidding on Friday, 25th September. Lots will start to close in Lot order from 7pm on Monday, 28th September 2026

Herd Health

We recognize and are aware that increasingly our customers are relying on us to meet and exceed their requirements and expectations in regard to herd health. It is therefore our objective to continue to operate a stringent herd health programme. Our herd and our parish is 100% free of TB. The herd has achieved 'BVD Negative Health Status BHS' with the Irish National BVD eradication programme. We regularly test our animals for IBR and Johnes and we have never had a positive. We are fortunate our farm has no boundaries with neighbouring stock.

Animals requiring Export

All animals are eligible for export to N.I., UK and many European countries. Relevant testing requirements for the individual locations will be done and export documentation completed after the sale, when the destination is known.

ICBF and Economic Indexes

Intending purchasers should note that the animal evaluations provided in this catalogue are those available through and computed by the ICBF at the time of going to print.

Genetic Abnormalities

Each animal is genotyped, Sire and Dam verified and free of Hypotrichosis. Any additional testing required for entry into various herd books will be facilitated at a cost to the purchaser.

Embryos

All the embryos in the sale are EU exportable and of Grade 1 quality. They are stored at Bovi Genetics. There is no guarantee on the conception rate of frozen embryos. Breed Society administration and other relevant fees are at a cost to the purchaser. Sold on a price per Embryo.

Semen

Ex tank - Not Eligible for Export. Sold on a price per straw.

Transport

Transport can be arranged to all destinations if required. The cost to the purchaser will be kept to an absolute minimum.

GOULDINGPOLL 1 EMMA JANE 1533PP

DOB: 13/10/2024

ID 372214806861533

A granddaughter of the now-famous Ford Abbey Emma Jane 12th . A long, growthy heifer who is sure to make a great cow. She has a remarkable presence in the field. Matthew judged the National Hereford Show in Herning, Denmark, in 2019 and brought home the Champion, Juelsgard Ottawa, who is the grandsire of this heifer. Emma Janes are noted for top-tier maternal traits - milk, fertility and longevity. Look at her sire stack - Nationwide, Superduty, Panmure and Solpoll. She is sure to breed.

Expected to calve 01/04/2027 to Goulding Pack-

GOULDING DUCHESS 1530 PP

DOB: 10/10/2024

ID 372214806831530

A granddaughter of the famous Gouldingpoll 1 Duchess 591. A strong heifer with great width of hip and pins and up along her body. We expect she will make a cow to build a herd from, with a pedigree like she has. Duchess females never disappoint. Her mating with Goulding Packie is something to look forward to.

Due 19/03/2027 to Goulding Packie. Female calf expected.

This is without doubt, one of the flashiest, most eye-catching heifers born at Goulding for many years! But is that really a surprise when she's a daughter of Fabb 1 Northern Star?!

Northern Star has bred particularly well on our big powerful cows like the mother of this one! Moeskaer Keepsake, her dam was an exceptional cow we brought across from Denmark many years ago, and this is the only heifer calf we will have for sale from her! If she was staying at Goulding she would be leading our Calf Show team, she sure deserves that chance later this year for the lucky buyer...

This heifer's granddam, Sky High 1 Lancome Lucy was purchased at the Designer Gene Sale for a record price of 13,000 Gns. The mating with Midford 1 Whizzbang really enhanced an already special cow. This exceptional heifer is a product of the best possible bloodlines. An overall picture of quality, femininity, presence and powerful breeding potential. With five stars all down the line and over twice the breed average for carcass weight, this incalf heifer is surely a rare offering.

COOLMARA RAVETTE

DOB: 18/03/2025

ID 372213997671525

This one and only Ravette, comes to the market with some credentials. Her dam, Gouldingpoll 1 Ravette 1262, sold at the 2022 Genetic Gems Sale for a record 22,000gns to the Coolmara herd. A condition of the sale was that we had to get her first-born heifer calf and here she is!

Ravette 1262's full flush brother Gouldingpoll I Nijinsky was purchased by NCBC and is considered a top-tier bull in Irish A.I. The mating of Ravette 1262 to the Australian bull, The Ranch Remington, has really done the business! With a pedigree and milk figures like that, she is going to have a superb udder and milk like a dairy cow!

A maiden heifer ready for flushing.

GOULDING BEAUTY DUCHESS ET PP

DOB: 23/03/2026

Just look at this pedigree, this is something truly special... She is the youngest heifer in the sale, but one of the most exciting! Her dam is the breed changing Duchess 525 who we were lucky enough to buy from Dorepoll many moons ago. She has built the Duchess line that is so renowned not only in Ireland but across Europe.

As if the dam line wasn't good enough, her sire is the global icon, Normanton 1 Laertes, a bull that has done it himself, then gone on to breed: show heifers, show cows, brood cows and stock bulls! This has rightly so made him one of the most sought after sires of our generation.

We can't tell you how much we rate this baby heifer, do not let her pass you by!

GOULDINGPOLL 1 LADY LUCY ET

DOB: 28/08/2022

ID 372214806871344

Lady Lucy is one of our favourite cows on the farm. A tank of a cow, carrying her third calf, with two very impressive calves to date. A direct daughter of the record-price Sky High 1 Lancome Lucy, this is a great opportunity to purchase from such a successful cow family. Take a close look at her 2025 calf, Lot 24, to see what this beautiful lady is capable of.

The mating with Solpoll 1 Classic will combine two of the Hereford breed's stalwarts - Lucy and Duchess. Not long to wait. Due 08/11/2026.

GOULDING DUCHESS 1548 PH

DOB: 07/12/2024

ID 372214806841548

Duchess 1548 is sure to make a great cow. Her dam, Gold Duchess, is an elite breeding cow from a family with a proven record of producing cattle that make an impact. A pedigree combining three prominent cow families - the who's who of Hereford breeding - Duchess, Rosie and Kate. She is one of the first females to be offered for sale sired by the UK import, Midford 1 Whizzbang, a bull who has really impressed us with his first few calves here at Goulding! You don't have to look back far in the pedigree to find the infamous Duchess 525, with this girl being a direct granddaughter!

Due around 16/03/2027 to Goulding Packie.

GOULDINGPOLL 1 PEBBLES 1258 ET

DOB: 27/09/2021

ID 372214806831258

This is an outstanding tank of a cow. We have tremendous respect for this young cow, and we will be sorry to see her leave. She is the dam of Goulding Packie, the service sire to all the incalf heifers in the sale. Pebbles 1258's granddam is one of the hottest cows to come from the continent and is dam of the very successful A.I. bull, Gouldingpoll 1 Zoro. This meaty, muscly, milky Pebbles also boasts massive ICBF Indexes and stars. Take your time and have a close look at this one.

GOULDING DUCHESS 576 PP

DOB: 11/03/2025

ID 372214806881576

If you missed Lot 1, Duchess 1250, this is your chance to go one better. Duchess 1576 is a long, clean-bodied feminine heifer. She struts out with flawless locomotion, and we believe she will make a fine cow. The great cows encapsulated in her pedigree - Pebbles, Keepsake and Duchess - make this a heifer with serious breeding potential.

A maiden heifer kept free of the bull. The purchaser will be given the option for her to remain after the sale to be served with Solpoll I Classic. A recommended mating with sire predictability.

GOULDING NETTLE 1545 PP

DOB: 30/11/2024

ID 372214806811545

Look at the stars on this one! Replacement, Terminal and Dairy Beef in the top 1% of the breed! Nettle 1545 is a strong, powerful, framey, incalf heifer. This beautifully balanced five-star heifer, a daughter of Lot 2, is from a hard-working cow family that consistently breeds females with low birth weights and shorter gestation traits - traits that are so important to us. Her sire, Gouldingpoll 1 Nijinsky, full flush brother to the record 22K Gouldingpoll 1 Ravette 1262, is really stamping his progeny.

Due 20/03/2027 to Goulding Packie. Male calf expected.

GOULDING DUCHESS 1599 PP

DOB: 12/04/2025

ID 372214806861599

The last Goulding Duchess heifer to sell - and definitely the last to sell for the foreseeable future. If you want a strong start for a new cow family or simply a great addition to an existing one, Duchesses will always deliver. We see a lot of value here, with the many great sires and dams encapsulated in this pedigree.

GOULDING DUCHESS LEGACY ET PH

DOB: 06/03/2026

ID 372214806871658

We decided to only include one bull in this years sale, so made sure it was a special one! he has blown us and our visitors away this summer! It only gets more exciting when you see the pedigree this boy is packing, sired by the highly renowned Northern Star.

He represents the last ever opportunity to purchase a direct son of Duchess 525, the cow behind some incredible sires including Perfection, Duncan & Captain. She has also bred countless top tier females including Tullamore and Calf show champion Duchess 591, and Duchess 967, a full sibling to Legacy who we sold to The Sky High Herd. He's done 2kg a day since birth, and the stars show all that performance on paper too! If you've been looking for a Gouldingpoll Great to be your next stockbull, bid hard on lot 27.

This is the embryo lot to kick off all embryo lots! Embryos from Duchess 591 are rarely offered! So far this exact mating has already bred Solpoll 1 Ace, stockbull at Rempstone Hereford and Interbreed at Bucks Show. This mating also bred Solpoll 1 Duchess A1 ET, the dam to our new stockbull, Classic.

Duchess 591 has been one of those cows that clicks with any sire, her Laertes daughters topped the 2019 sale at an Irish Record price. Duchess is also sister to countless Greats including, Perfection, Captain, Duncan and Robust!

The sire of these embryos is Kinglee Hero a bull we love, he is full of Costhorpe breeding, and has bred the AI Sire Midford Whizzbang who himself has bred some of the best females on offer in this sale.
